GORGEOUS, FULLY DEVELOPED WALK-OUT HOME BACKING ONTO GREEN BELT! Welcome to Kings Heights! Pride of ownership shines in this beautifully maintained two-storey WALK-OUT home offering OVER 1,870 SQ. FT. of thoughtfully designed living space. The bright and open concept main floor features large west facing windows that flood the space with natural light. The modern kitchen can best be described as a Chef's dream kitchen with upgraded stainless steel appliances (gas range w/convection oven!), tall cabinetry, granite countertops, a central island, and a spacious pantry, perfect for both daily living and entertaining. Upstairs, you will find TWO GENEROUSLY SIZED PRIMARY SUITES, each complete with a walk-in closet and a private en suite bathroom, ideal for multi-generational living or hosting guests. The fully developed walk-out basement doesn't feel like a basement at all thanks to its 9-foot ceilings and large windows. It offers a spacious recreation room, laundry room (future bathroom), and ample storage. A bedroom could be created by simply adding in a wall and door. A bathroom has been roughed-in and drywalled, requiring only fixtures to complete. (This area is currently being used as a laundry room) Additional laundry rough-ins are available upstairs for added flexibility. Step outside to your LARGE & PRIVATE BACKYARD OASIS, sunny west-facing, fully fenced and landscaped for both relaxation and entertaining. The entire house was recently

painted and shows beautifully! Located close to parks, dog parks, walking paths, schools, and a commercial area with shops, restaurants, and all amenities, as well as offering easy access to both Stoney and Deerfoot Trails, this home truly has it all! Make Kings Heights home today!
