Residential on 4.99 Acres

Bearspaw_Calg, Rural Rocky View County,
Alberta

Welcome to this spacious family home perched on 5 acres in a prime Bearspaw location—offering incredible value, long-term potential, and stunning mountain views.

Whether you're a growing family seeking room to roam, a multigenerational household needing flexibility, or an investor eyeing future development, this property is full of opportunity.

The home features over 3,700 square feet of total living space, with 6 generously sized bedrooms—3 on the main floor and 3 more in the fully finished walkout basement. The main level offers a large kitchen and eating area, a formal dining room, and a bright west-facing deck to take in those picturesque views.

Timeless oak trim runs throughout, including a custom oak bar and built-in entertainment centre in the expansive lower-level family room. Downstairs, you'll also find a large office space, hobby room, dedicated laundry room, and access to a covered patio overlooking the backyard.

Outside, there's a triple attached garage, tons of space for RVs or future outbuildings, and plenty of room for horses or a hobby farm. While the home could use some cosmetic

updates, it boasts solid bones, a functional layout, and endless potential to customize to your style.

The true value lies in the land. Subdivision plans have already been initiatedâ€”with a completed survey and application submitted to Rocky View County. A conceptual scheme is no longer required, subject to compatibility with surrounding lots.

Buyers can either retain the full 5-acre parcel or take over the subdivision application at closing to divide the land into two lots â€”opening doors for resale, development, or creating a multi-generational estate.

Don't miss your chance to own a rare piece of peaceful country living with wide-open views, city proximity, and future investment upside. Please note some photos are virtually staged.
